To: Assistant Commissioner for Patents

Technology Center 2600

I hereby apply to withdraw as attorney or agent for the above identified patent application.

The reasons for this request are:

The client, Teleconómico USA, Inc. has not paid me for my work in preparing and filing the above referenced patent application. Approximately one month following the filing of the patent application I telephoned the client to inquire as to when the company would pay the invoice which I had mailed on December 28, 2000. I was told the company had no money with which to pay the invoice. The invoice has now been outstanding for over nine months. No response has been received to the letter requesting payment, which was sent by certified mail on September 18, 2001, a copy of which is attached, or to previous requests for payment.

Mr. Donald A. Williams

Dear Mr. Williams,

Re: ✓ TEL-001 – U.S. Patent Application No. 09/750,203
Title: "System for Enhancing Internet Telephony"
TEL-002 – U.S. Patent Application No. 09/750,197
Title: "Device Independent Communication System"

As I believe you know, my invoice No. T-058 dated December 28, 2000 in the amount of \$9,797.90 is still unpaid. A copy of this invoice is attached for your reference. If you want me to continue to represent your company in the prosecution of these two patent applications, then you need to arrange for payment of the invoice.

If I have not received payment of the invoice amount by September 30, 2001, I will assume that you do not wish for me to continue representing you in prosecuting the above referenced patent applications before the U.S. Patent Office and I will file a "Request For Withdrawal As Attorney Or Agent".

I believe I have sent you copies of all the filing documents and all other correspondence with the U. S. Patent Office regarding these patent applications. However, should you retain another attorney to assist you with these applications, I will provide copies of the documents to the new attorney also.

Sincerely,

E. Eugene Thigpen, Attorney
